New Student Parking Areas

Student parking will now be split between the newly reconfigured front parking lot and upper parking lot by the gymnasium. Spots will be numbered and should correspond with assigned parking passes.

**Students will have the ability to enter the school through the bus loop doors OR the newly renovated front entrance in the morning only. Starting at 8:30 am, all students/visitors will be required to enter through the new main entrance, located in front of the school.*

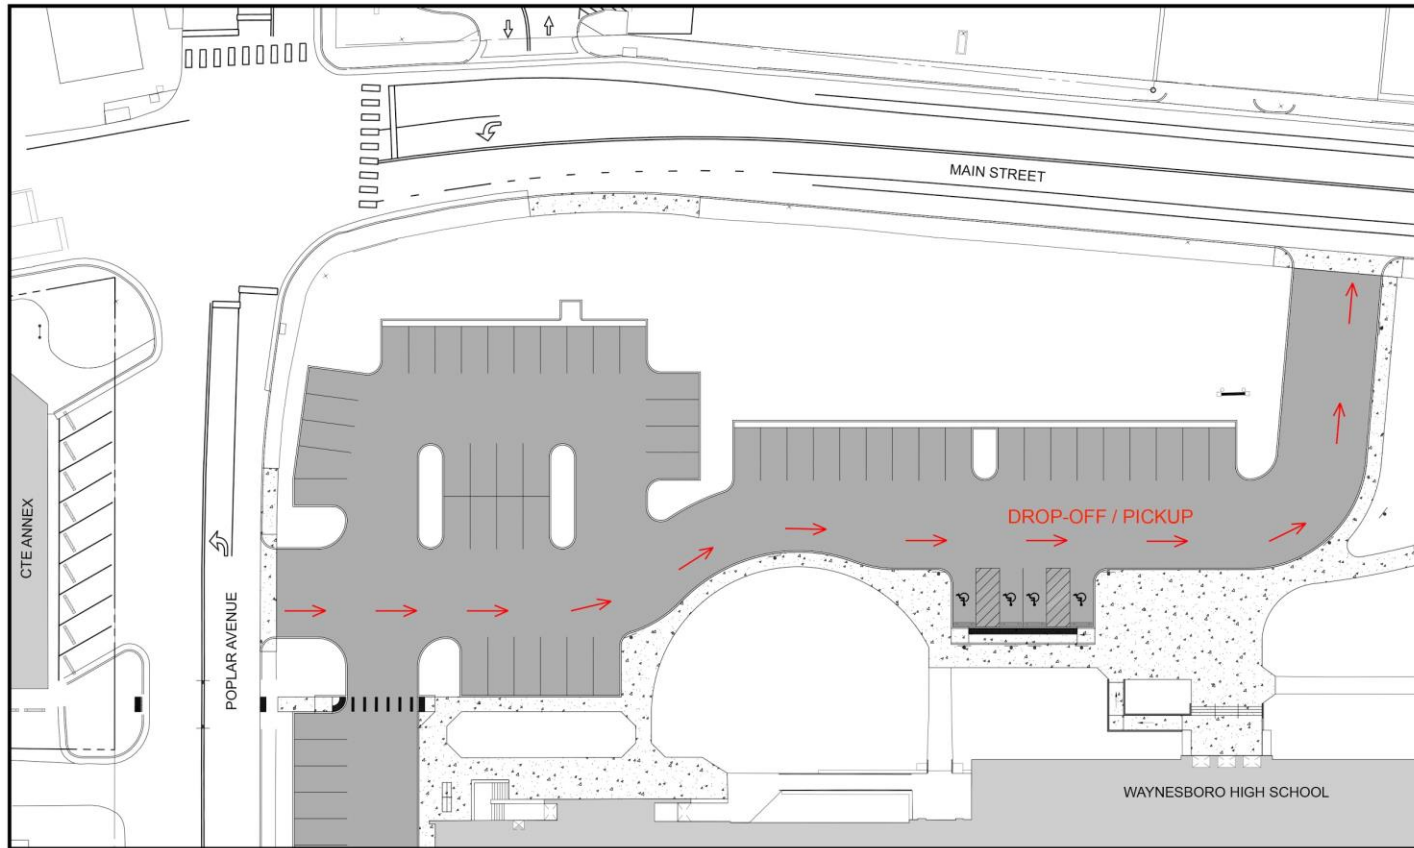

Parking Spots 1-42 will be located in front of the school.

Parking spots 59 -104 and 115 – 131 will be available in the rear upper parking lot.

Student Drop Off/ Pick Up

Student drop off and pick up will continue to be in front of the main building. Parents should enter from the Poplar Avenue entrance and drop off/pick up in front of the new main entryway near the marquee. All vehicles should exit on to Main Street.

Buses

Buses will continue to unload/load in the back of the school at the gymnasium

Visitor Parking

Visitor parking is located in front of the school near the renovated main entrance. ADA accessible parking is located in the same area.
